- This technical cross-section diagram illustrates the construction of a roof assembly. The components are numbered 1 through 14:
- 1: Concrete slab (Deck)
  - 2: Thermal insulation (Insulation)
  - 3: Structural steel beam (Rafter)
  - 4: Thermal insulation (Insulation)
  - 5: Thermal insulation (Insulation)
  - 6: Thermal insulation (Insulation)
  - 7: Thermal insulation (Insulation)
  - 8: Roofing material (Roofing)
  - 9: Thermal insulation (Insulation)
  - 10: Thermal insulation (Insulation)
  - 11: Thermal insulation (Insulation)
  - 12: Thermal insulation (Insulation)
  - 13: Thermal insulation (Insulation)
  - 14: Thermal insulation (Insulation)
