(a) Visum est, pererudita atque elegantissima hac dissertatione novum hujus opellæ volumen ordiri, eaque in ipso limine lectores meos oblectare. Acceptam fero illam incomparabili humanitati Illustris UFFENBACHII, magni literarum Mæcenatis, & ævi nostri Peirescii, cujus curæ Auctor doctissimus, nominari nolens, eam commiserat. De iisdem vero monumentis antiquis Anno MDCCXXIV. mens. Junio & Julio feliciter erutis & ab interitu vindicatis, conjecturas suas publice eo ipso anno vernaculo sermone exposuit Maxime Vener. atque Celeberrimus Tigurinae Ecclesiae Archidiaconus Jo. Baptista Ottius.
