November 2015

Introduction

This document presents the questionnaire filled by the students in the Semester of Code process during the evaluation of the virtual placements performed.

The Semester of Code is the practical extension of the European VALS Project (Virtual Alliances for Learning Society) [1-5]. The Semester of Code (SoC) initiative allows students of degrees of Informatics addressing real business problems raised by companies and OSS Foundations through virtual placements in an international context, getting rewards from resolving them which will be reflected in their formal education and helping them to develop professional skills that will help in their professional career [6-10].

This questionnaire is available online in the following link:

<http://forms.semesterofcode.com/students>

This document should be referenced as follows:

Semester of Code Evaluation – Students

All questions marked with * are mandatory

1. Your first name / family name*

.....

2. Your age*

.....

3. Your gender*

Male

Female

4. Your university:

.....

5. The name of the project you worked on*

The name of the project as it appears on the Semester of Code Virtual Placement System (VPS)

.....

6. Company/Foundation owner of the project you worked on*

.....

7. Your tutor's name*

The name of your tutor from the project / company

.....

8. Your academic supervisor's name*
The name of the academic supervisor from your University

.....

9. Did you complete the placement?*
Did you complete your work on the assigned project (and its tasks)?

Yes

No

10. If you did not complete the assignment, what problems did you experience?

.....

.....

.....

11. Starting date of your placement*

.. / .. /

12. End date of your placement*

.. / .. /

13. Please summarise the tasks you carried out and the issues you addressed during your placement*

.....

.....

.....

14. Please summarise the learning goals that you achieved while working on your project during the placements*

.....
.....
.....

15. What were the main problems that you encountered in carrying out your project? How did you solve them?*

.....
.....
.....

16. Please rate your overall experience of your Semester of Code placement*

Regarding your overall opinion about the whole experience

- 1 – Very bad experience
- 2
- 3
- 4
- 5 – Very good experience

17. Please rate your experience with your tutor during the Semester of Code*

How good / bad was your collaboration with your mentor from the project?

- 1 – Very bad experience
- 2
- 3
- 4
- 5 – Very good experience

18. Please rate your experience with your academic supervisor during the Semester of Code*

How good / bad was your work with your academic supervisor from your university?

- 1 - Very bad experience
- 2
- 3
- 4
- 5 - Very good experience

19. Please rate the relationship between tasks you carried out during your project and the knowledge and competencies you are acquiring in your University studies*

- 1 - Definitely not related
- 2
- 3
- 4
- 5 - Completely related

20. Where are the results of your placement (code, etc) hosted?*

Please add the links (Github, websites, etc.) where is available publicly the placement results

.....

.....

.....

21. Did your experience on your placement help you in planning your future professional career?*

- 1 – It definitely helped
- 2
- 3
- 4
- 5 – It definitely did not help

22. I think that my placement experience will help me in getting a job in the near future*

- 1 – Definitely no
- 2
- 3
- 4
- 5 – Definitely yes

23. Would you recommend this foundation / company to other students who are thinking of doing a placement?*

- Yes
- No

24. Did you get a job offer from the foundation / company that you did the project for?*

- Yes
- No

25. Did the company/foundation suggest that you continued to collaborate with them as a volunteer on this or other development work?*

Yes

No

26. Did any other company offer you work or collaboration in relation to your experience of the Semester of Code?*

Yes

No

27. Did your placement in the Semester of Code give you a positive feeling about collaborating in FLOSS (Free Libre Open Source Software) projects and FLOSS Community?*

Yes

No

28. How easy did you find it to get involved in the programme (Semester of Code)?*

1 - Very hard

2

3

4

5 - Very easy

29. What would you suggest to improve the Semester of Code process?*

.....
.....
.....

30. What problems did you encounter?*

Regarding the Semester of Code process

.....
.....
.....

31. Did you enjoy taking part?*

Yes

No

32. Would you take part again?*

Yes

No

33. Did you learn anything from being part of this programme?*

Apart of the learning and competences you acquired from your University studies

.....
.....
.....

34. If you took part again what would you do differently?*

.....
.....
.....
